

Quotes and Reviews for Yes You Can! by Bill Townsend

May be freely reprinted.

Yes You Can is a great book for anyone at any point in their career. If you are just starting off, it gives you the tools you need to focus on making your job your career, showing yourself in the most confident light and reminding you that bold steps lead to success.

If you are actively in your career of choice it reminds you that you should still employ common sense and positive thinking on a daily basis in order to further yourself and your career...an excellent reminder for all of us!"

Claudia Christian: Actress, Author "Babylon Confidential"

Want to change your life? Then take this book to the counter or add it to your cart and BUY IT! Yes You Can isn't just a book; it's a roadmap for a better life. It's the first "business" book that I'd consider a "life" book. Yes You Can is filled with examples of how to make every part of your life better. Seriously, buy it. Read it. Live it. Yes You Can!

Randall Branch
Owner
Branch Real Estate

This is the book you need and want to read when you feel unmotivated, lazy or in self-doubt. It has helped me to achieve my goals in college and to always take the lead in my life. You will be amazed by the accomplishments of the author and you will be inspired like never before.

Wenyu Ashley Zhang
University of Southern California

Yes You Can!" is more valuable than any other. Bill Townsend's amazing experience is very inspired and through his incredible journey you will learn how to believe in yourself, being prepared for any opportunity that happens around you.

I especially loved Mr. Townsend's sub-title: "no matter who you are or where you are from, " He teaches us that regardless of background, be brave to show your true talent and creative spirit. Devote yourself to your life with passion! It reminds me of the Chinese Ming Dynasty poet Yang Ji's, Reflections, "Don't ask the source for a hero..." Hero is in you, in your arms, in your hands. Hero is always there, open your arms to welcome it and reach and achieve your successes and your destiny.

Nan Ying

Chairwoman
Hi—Pi LLC

Bill Townsend is not only a dynamic entrepreneur and business mind; he is also a serious thinker on matters of motivational and performance psychology. A true renaissance man.

Cyrus Deboo
Investment Banker

Awesome! Everybody should read this book. It motivates me to become more successful! Especially useful if you wonder if there is more to life than getting up and dragging yourself to work each day. This book, written for the everyman, is what is missing from self-help and business books. As a cofounder of a growing real estate development company, I am going to have every employee plus every new employee read it.

Esteban Felix
President
Insignia PMG

Finally a self-improvement book written for the rest of us. Fun. Engaging. Informative. Life changing. Simply brilliant.

James M. Rockefeller
